

THE WELLNESS PROGRAM

Complete care. One simple monthly payment.

A 12-month preventative care program designed to help keep your pet healthy year-round while spreading routine veterinary costs across manageable monthly direct debit payments.

WHY JOIN?

Unlimited consultations & revisits*

Veterinary consultations and revisits are included throughout the program year.

Vaccinations & parasite prevention

Vaccinations, heartworm, worming and eligible flea control are included.

Annual health screening

Includes one comprehensive health check and one healthy blood test each year.

Member savings

Enjoy discounts on eligible dental, desexing, food, services, medications and more.

PEACE OF MIND

We'll remind you when preventative treatments are due, helping you stay on top of your pet's routine healthcare throughout the year.

IMPORTANT INFORMATION

- * Unlimited consultations and revisits exclude after-hours consultations; weekend vet availability may cause some restrictions.
- The Wellness Program is not pet insurance. Treatments, services or medications arising from a consultation may incur additional costs.
- Fees may increase yearly. A \$30 renewal fee applies each year and is billed by East Bundaberg Veterinary Hospital.
